

TDLD Concert Dress Rehearsal – Sunday 14 October

The Besen Centre – 87 Station Street Burwood

On the Dress Rehearsal day at The Besen Centre on Sunday 14th October, students need to arrive with their concert hair and makeup complete and wearing their costume (if they are in multiple items, arrive in their first item's costume – see schedule). Costumes will be given to students at the Male Street Sunday rehearsal on 16th September, or during class in the week prior to dress rehearsal. Please ensure your dancer has the correct shoes AND correct tights for each dance – this is especially important as photos are taken on this day!

WHERE TO GO

The Besen Centre is accessed via the Mount Scopus car park entry at 87 Station Street Burwood; the theatre is on your right. Parking is free on dress rehearsal day. Bring your dancer into the auditorium (the audience) and take a seat and wait for your dancer to be called to the stage for their rehearsal. Parents remain in the audience while their child does their rehearsal on stage. Once your dancer has practiced their dance on stage they will be taken backstage to have photos. After photos, dancers will be returned to the auditorium via the stairs to the left of the stage. **Parents are not permitted backstage.**

THE SCHEDULE

During each class group's time they will have a couple of on stage rehearsals and a photo session; you can then leave once your child has had their rehearsal and photo. Your dancer's 'on stage rehearsal' time is not your arrival time – the arrival time allows your dancer to arrive, find their group, warm up and be taken back stage when called. Please note that the running time of the 10am concert is approx. 1 hour, and the 1 pm and 5:15pm concerts will run for approx. 2 ½ hours. The dress rehearsal schedule is over the page. Please note the dress rehearsal schedule is not the concert order as it is a combination of the 3 shows. If your dancer will be at the theatre for an extended time, you are welcome to bring food. (No nut products please, and nothing too messy, as we don't want anything spilled on costumes!) There is a refreshment bar at the theatre which stocks snacks and drinks (but not meals).

IF YOUR DANCER DOES MORE THAN ONE ROUTINE

If your dancer does more than one dance, and their Dress Rehearsal arrival times are within 45 minutes of each other (see schedule) eg item 1 arrival time 12pm, item 2 arrival time 12.30pm – come dressed in your first costume and when you are called backstage with your first group, bring your other costume with you so you can change side stage (with assistance by our helpers if needed). Ensure your other costume/s, tights and shoes are in individual costume bags that are clearly labelled with your name.

PORTRAIT PHOTOS

A professional photographer will take group and individual photos after each item has rehearsed on stage. These will be available to be viewed and purchased online after the concert.

WHO CAN COME TO THE DRESS REHEARSAL

Please note that The Besen will only allow one parent per student attending the Dress Rehearsal, and no siblings are allowed unless they are in the concert. We also require that no student under the age of 12 be left unaccompanied at the theatre.

HAIR

Group and individual photos are taken at the dress rehearsal so it is essential that all hair is as it will be for the concert. This year's Concert and Dress Rehearsal hair requirements are –

- Boys – as it is!
- Tap, Jazz, Contemporary, Hiphop, La DanSe Company, Acro– are required to wear their hair in a gelled ponytail – no fringes, no coloured hair ties; hair ties must be the same colour as their hair – dirty hair works best. The ponytail can't be too low or too high on the head; ideally at the crown of the head.
- Ballet – are required to wear their hair in a slicked bun – no fringes, no coloured hair ties; put lots of gel in combed hair, then put hair into a ponytail at the crown of the head. Then twist the ponytail and pin it in a bun (use french pins and a hair net the same colour as your child's hair.
- For students who do Ballet as well as another dance style – start with your hair in the first applicable hairstyle according to the schedule – you will need to change your own hair (or get your parent to help). At the Concert we will have people allocated to help you change your hair from the bun to the ponytail or vice versa.

MAKEUP

All students (except boys) are required to wear the following makeup for the dress rehearsal – foundation, dark brown eye shadow, black eyeliner & mascara, rose coloured blush, bright red lipstick (not burgundy). The theatre lighting is very harsh and 'washes' faces out; this is why students need makeup. This is required at the dress rehearsal as well as for the concert. Group and individual photos are taken at the dress rehearsal so it is essential that all makeup is as it will be for the concert.

Please note – no 'tattoos', no jewellery, no painted fingernails, no underwear under costumes, (you can wear nude coloured underwear if it can't be seen) etc.

SHOES AND TIGHTS

Students must wear the correct shoes and tights for each of their dances, as follows –

- Ballet students require ballet tights & ballet shoes (no jiffies) (Capezio tights code is SPK)
- Jazz students require tan tights & tan jazz shoes (Capezio tights code is LSN), (EXCEPT Musical chairs who don't require tights)
- Tap students require tan tights & tan tap shoes (Capezio tights code is LSN)
- Acro students require convertible ballet tights (EXCEPT Marco Polo and Transformers who don't require tights)
- Contemporary students require convertible ballet tights. (Contemporary students may wear flesh coloured half shoe with elastic around the ankle, eg Sophia Lucia Pirouette)
- Hip Hop students – Masquerade please provide own black high tops (like converse), Baseball and Just Dance please provide own white converse type shoes. All other Hiphop students will be given shoes.

All tights and shoes (except Hip Hop shoes) can be purchased through school. We also stock a range of flesh toned body stockings and underwear, and costume bags (which are great for keeping everything together!)

** Please ensure you have named all your dancer's costumes, tights, shoes and bags***

TDLD Dress Rehearsal – Sunday 14th October – The Besen Centre (at Mount Scopus) - 87 Station Street Burwood

Arrive with hair & makeup complete, wearing costume (more than 1 dance? Wear first allocated costume) One parent per family; no siblings please
